Vintage Bank Antiques opened in 1995,
through WARREN DAVIS' vision, stewardship,
and leadership. As Warren's partner and widow,
I have continued at the helm
since his unexpected death in 2018.
His kindness, passion for paintings,
and love of sharing that with customers
and other dealers is sorely missed,
but his example inspires and guides us.

Please send photos of what you sell to judhelman@yahoo.com
